

# MARSTON MEMORIAL HISTORICAL CENTER &

**FREE METHODIST ARCHIVE**

## 2021 Update

The Free Methodist Church is 160 years old! In the Historical Center and FM Archive we have preserved the story and heritage of the church and made it available to the global church both online and in print. How do I access this you may wonder?! Check out our website [fmcusa.org/historical](http://fmcusa.org/historical) for great resources. Contact us at [history@fmcusa.org](mailto:history@fmcusa.org).

## IN INDIANAPOLIS

The Marston Memorial Historical Center has been closed to the public for more than one year. Flat B.T. & Ellen Roberts have been “holding down the fort” while masked and socially distanced! However, staff has stayed connected online through “FM History Update” and on social media. Some topics included —

- ◆ FMs during the Spanish Flu Pandemic
- ◆ FMs and politics
- ◆ FM Black History
