

MARSTON MEMORIAL HISTORICAL CENTER &

FREE METHODIST ARCHIVE

2022 Annual Conference Update

The Free Methodist Church is nearly 162 years old! In the Historical Center and FM Archive we have preserved the story and heritage of the church and made it available to the global church both online and in print. How do I access this you may wonder?! Check out our website fmcusa.org/historical for great resources. Contact us at history@fmcusa.org.

TRANSITION

Some of you have visited the World Ministries Center in Indianapolis and been introduced to the Marston Memorial Historical Center that houses the Hugh A. White Library, FM Archive, Zahniser Chapel and museum. You may know that the WMC has transitioned out of this space and will soon be open to visitors at the newly renovated location.

Keep up with the happenings of the Historical Center through the online FM History Update, the Free Methodist Historical Society Newsletter and Facebook @MarstonMemorialHistoricalCenter
